Commercial Premises  Industrial Premises

Building Surveyor: \_\_\_\_\_

Building Surveyor Phone Number: \_\_\_\_\_

Proposed connection date: \_\_\_\_\_

### Information supplied:

Copy of Title, Copy of Subdivision Plan or Street Address

Building Layout Plan

**Application:**

An application for storm water discharge point requires the Council to search for and approve an appropriate discharge point. This may involve a site inspection and verification of existing drainage on the site. Applications require 10 working days for processing. The application is to include the site identification and a building layout plan.

**Inspections:**

All connection works are to be inspected by Council. Connection inspections can be arranged by contacting Council on 03 5558 7825. It is the responsibility of the plumber to ensure that Council is given a minimum of three days notice for an inspection of the connection. A fee will apply for inspections requested at short notice (<3 days)

The connection is not to be covered until approval is given

**Works Within Road Reserves Permit**

Where the connection point is within a road reserve a road opening permit must be applied for. A fee for the Works Within Road Reserves permit will apply.

**Damage to Council Assets**

Any damage to Council assets caused by the installation of a storm water connection point shall be repaired to Councils satisfaction at applicants cost.

**Discharge Point & Inspection Fee: \$ 144.70\*****Payment**

- In person over the counter
- Cheque (enclosed & payable to the Moyne Shire Council)
