C60**REFERENCE DOCUMENTS**

There are a number of other strategies and plans relating to the Shire and/or the wider region which assist in guiding decision making, including:

- Koroit Strategy Plan, 1991
- Land Conservation Council Public Land Recommendations, 1982
- Land Conservation Council Historic Places - Special Investigation South Western Victoria, Proposed Recommendations, 1996
- Moyne River Management Plan
- Moyne Shire Coastal Area Study, 1996
- Moyne Shire Recreation Strategy, 1997
- The Municipal Strategic Statements of those municipalities abutting the Moyne Shire
- Port Fairy Strategy Plan - Draft Report. 1993
- Port Fairy Strategy Plan - Background & Issues Report, 1992
- Recreation Areas and Coastal Reserves, 1996
- Killarney Outline Development Plan, July 2001
- Killarney Subdivision and Design Guidelines, July 2001
- Port Fairy Design Guidelines, 2001
- Moyne Coastal Action Plan 2001
- South West Victoria Regional Coastal Action Plan 2001
- South West Victoria Estuaries Coastal Action Plan 2001
- Peterborough Urban Design Framework 2002
- Residential Design Guidelines, Peterborough, Victoria 2006
- Great Ocean Road Region Landscape Assessment Study (Planisphere, 2003)
- Great Ocean Road Region Strategy, 2004
- Coastal Spaces Recommendations Report (Victorian Coastal Council, 2006)
- Coastal Spaces Landscape Assessment Study (Planisphere 2006)
- Strategy and Structure Plan for the Mailors Flat Township (Final Plan - March 2010)
- Port Fairy Regional Flood Study (Water Technology, 2008)
- Port Fairy Regional Flood Study Addendum – Sea Level Rise Modelling (Water Technology, 2010)
- Port Fairy Sea Level Rise Modelling Project (Water Technology, 2012)
- Port Fairy Heritage Citations 2015 (Context Pty. Ltd., 2015)
- Mortlake Urban Design Framework (April 2010) (adopted 2015)
- Port Fairy West Structure Plan (Brown Consulting, 2014)
- Future Coasts - Port Fairy Local Coastal Hazard Assessment 2013

The MSS has been prepared having regard to these existing strategies and plans. Some of these plans have and/or will be superseded over time (such as town strategies). However, they provide a valuable base to assist with the future planning of the Shire.
