## Completing your enrolment

Once you have selected Edit Enrolment, your enrolment form will open ready to complete. You will not be able to move through or submit your enrolment without completing every section and question.

Once a section is complete it will be marked with a green tick. ✓

★ **Important:** Each section must be completed and saved before moving onto the next. You will not be able to exit a section without completing all mandatory questions. If you do exit a section without completing in full, anything you have completed, will not be saved.
