* Children attend 3 allocated sessions per week

Kindergarten sessions are subject to change. Official offers will be sent to families in September confirming your child's 2024 Kindergarten session days & times.

Multi aged Kindergarten groups

Three and four-year-old kindergarten is offered in same age groups or in multi- age groups (three- and four-year old's together) across the Shire. Children in multi-age groups will develop friendships and engage in learning just as they would in same age settings with the added bonus of being able to access peer support and lead learning for other children. These opportunities offer children the opportunity to develop more sophisticated social skills.

Rotational model

Our kindergarten programs may use a rotational model where a number of smaller sub-groups are brought together to create a larger group. This not only allows the children to build friendships outside of their allocated group.

After Kindergarten Care / Wrap Around Care

After Kinder Care programs / Wrap around care will be offered at Hawkesdale, Koroit, Merri, and Port Fairy. Further information of days / times will be provided to relevant families prior to offers being confirmed.
