Dear Greg

Amendment C69moyn Supplementary Submission, 169a And 183 Princes Highway, Port Fairy

1. We act for Rivers Run Estate Pty Ltd (**Rivers Run Estate**) in respect of the above matter at 169A and 183 Princes Highway, Port Fairy (**Subject Land**).
2. We refer to the submission made by Myers Planning on behalf of Rivers Run Estate to Amendment C69moyn (**Amendment**) on 15 June 2020 (**submission**).
3. Under the heading 'Coastal hazard' the submission stated:

...

It is noted that hydraulic flood modelling undertaken for the Translation of the Port Fairy Local Coastal Hazard Assessment differs significantly from modelling undertaken by Water Technology. The Glenelg Hopkins CMA is aware of these discrepancies and Rivers Run Estate understands the CMA, with support of Moyne Shire Council, has commissioned a peer review of Translation of the Port Fairy Local Coastal Hazard Assessment.

The outcomes of the peer review will inform Rivers Run Estate's position on this matter once information is available.

4. Our client has engaged Water Technology to undertake further work to refine their understanding and position on coastal hazard issues raised by the Amendment.
5. This supplementary submission is intended to provide the finer detail of our client's position, and we kindly ask Council refer the supplementary submission to the Panel ahead of the directions hearing on 5 August 2022.
